Aurum Discovery Appoints Roland Butler as Chairman

Aurum Discovery Limited, a private Project Generator and Royalties Company based in the EU, is pleased to announce the appointment of Roland Butler as Chairman of the Board.

Mr. Butler has a track record of mineral exploration, royalty creation and discovery with multiple teams spanning more than 30 years. He was co-founder of Altius Minerals Corporation, an international royalty company, serving as Vice-President and COO for more than 12 years.

He later led Callinan Royalties (subsequently acquired by Altius Minerals) as CEO and on behalf of Callinan is being recognized by the Prospectors and Developers Association of Canada (PDAC) as a co-recipient, alongside Renaissance Gold and AngloGold Ashanti, of the *2026 Thayer Lindsley Award for Discovery of the Year* for discoveries at the Silicon (now Arthur) gold project in Nevada, USA.

Mr. Butler is also a member of the board of directors of Orogen Royalties, a leading royalty creation company in the Americas. He has been an investor in Aurum Discovery since 2020 and a director since April 2025.

Aurum Discovery CEO, Dr. Barry Stoffell, commented;

“We are delighted to confirm the appointment of Roland as Chairman. As a significant early investor, he has been closely involved with Aurum Discovery. His support is highly appreciated, and I look forward to him continuing to work closely with our team.”
